SECTION 18 – Youth Exhibits

SCHEDULE 2023

Class 4: Handwriting

This class will be judged in two sections:

4A Years Seven and Eight

4B Years Nine and Ten

1. Use A4 blue-lined paper.
2. Text is to be handwritten in black or blue pen on every second line.
3. The margin may either be preprinted on the blue-lined paper or handwritten in black or blue pen.
4. The student's name, school and year level must be clearly written on the back of the handwriting entry.
5. Punctuation and spelling are very important; however, the standard of the handwriting will ultimately determine First Place.

Handwrite the following text –

Writing is a form of expression, and neat handwriting is important when writing anything that will be read by someone else. We are often judged by the quality of our handwriting, and when our penmanship is poor, we appear to be lazy or incompetent. Good handwriting involves forming letters properly and spacing the letters carefully within words. Letters should not be squeezed together, but they should not be spread far apart, either. It's also important to form letters the correct height. Capital letters should be larger than lower-case letters. Words need to be separated so they don't run together. When a person develops good handwriting, he or she can be proud of creating quality work.
